Forecast for Saturday 07 Nov 2020

Weather: There may be a few mist or fog patches in some of the glens at first but these will be shallow. The mountains will remain clear and the day will be fine and dry with long spells of unbroken sunshine. Some high based cloud will spread from the south later in the afternoon.

Chance of cloud free mountain/hill tops above 800m: More than 95%

Visibility: Other than those very localised shallow glen mist or fog patches it will remain good.
